

blue christmas

Deep in the snowy blue woods a brilliant Christmas tree shines in this a kaleidoscope. This evocative photograph is printed on canvas-textured satin finish signmaker's vinyl, which is fade proof and wipeable. Liquid filled cell has enameled, glass, and brass Christmas trees, lights and decorations in all the traditional colors. Aluminum eyepiece and cage are powder coated in a wonderful blue. Happy Holidays!

First surface mirror. Two-mirror, 5-point system makes stars of all the images. Eye piece fitted with a 3-diopter glass lens. Size approx.: 8 1/4" x 2 3/4". Shipping in continental US included; others contact artist.
