

blue wave

Waves of blue dichroic mosaic decorate this black lacquered wooden based parlor kaleidoscope. The black powder coated scope body is also enhanced with matching dichroic. Liquid filled cell has enameled fish, beads, pearls, starfish and lampworked glass, as well as pieces of dichroic. They come together to create the wonderful wavy mandalas. First surface mirror. Two-mirror, 6-point system. Eye piece fitted with a 3-diopter glass lens. Size approx: 16" high with a 4 1/2" square base and a kaleidoscope that measures 8 1/2" x 2 3/4".
