

dragonfly

A delicate dragonfly, settled for a brief moment, is printed on canvas-textured satin finish signmaker's vinyl, which is fade proof and wipeable. The liquid filled cell has gold, enameled and glass dragonflies and the flowers they love, in shades of purple, green, gold and touches of turquoise. Aluminum eyepiece and cage are powder coated in a textured green. First surface mirror. Two-mirror, 5-point system brings you dozens of tiny creatures flitting by every time you turn the cell. Eye piece fitted with a 3-diopter glass lens. Size approx.: 8 1/4" x 2 3/4".
