Flowers and fans and brilliant primary colors make this scope dazzle. This glossy red powder coated kaleidoscope has a cell as brilliant as the exterior. The arch shaped mirror system frames the beads, cane, flowers, miniature enameled fans, crystals and charms and makes show stopping mandalas. Elegant and exciting at the same time.

Special arched mirror system. 3 diopter glass magnifying lens. Size approximate: 8 1/4" x 2 3/4".

Shipping in continental US included; others contact artist.
