

frog

Quite a few frogs are now living happily in a kaleidoscope. An intriguing photograph of one of these jumpy creatures is printed on canvas-textured satin finish signmaker's vinyl, which is fade proof and wipeable. Liquid filled cell has enameled, brass, and polymer frogs in wonderful shades of green and gold. Aluminum eyepiece and cage are powder coated in black. First surface mirror. Two-mirror, 5-point system gives you dozens of frogs every time you turn the cell. Eye piece fitted with a 3-diopter glass lens. Size approx.: 8 1/4" x 2 3/4". Shipping in continental US included; others contact artist.

Designed and made by award winning scope artist Judith Paul, known for her themed kaleidoscopes - a collector quality art form.
