A deep purple powder coated handheld scope rests against a sculptural piece of old grapevine. Both the scope body and the vine are adorned with grapes - and the liquid filled cell is full of them. Green grapes, purple and red grapes, corkscrews, tendrils and leaves. This piece is both sophisticated and whimsical. 2 mirror 5 point star. 3 diopter magnifying lens. Size approximate: 8 1/4" x 2 3/4". Vine base (which varies) approx. 8" x 12"

Designed and made by award winning scope artist Judith Paul, known for her themed kaleidoscopes - a collector quality art form.
