

hummingbird

A colorful hummingbird, poised in flight, is printed on canvas-textured satin finish signmaker's vinyl, which is fade proof and wipeable. The liquid filled cell has gold, enameled and glass hummingbirds, and the flowers they love, in shades of green, gold and touches of ruby red. Aluminum eyepiece and cage are powder coated in a textured bronze. First surface mirror. Two-mirror, 5-point system brings you dozens of tiny creatures flitting by every time you turn the cell. Eye piece fitted with a 3-diopter glass lens. Size approx.: 8 1/4" x 2 3/4".
