

kittens

A couple of kittens, wrestling in the grass, are caught in this delightful photo and printed on canvas-textured satin finish signmaker's vinyl, which is fade proof and wipeable. The liquid filled cell has 4 different kittens, and their food bowl, tumbling around in shades of sienna, gold, brown, and ginger against a grass green backdrop. Aluminum eyepiece and cage are powder coated in a textured green. First surface mirror. Two-mirror, 5-point system brings you dozens of kitties, floating by every time you turn the cell. Eye piece fitted with a 3-diopter glass lens. Size approx.: 8 1/4" x 2 3/4".
