

lavender flower

Delicate and sensuous, this kaleidoscope captures the beauty and fragility of spring blossoms. The original photograph is printed on satin finish canvas textured signmaker's vinyl, which is fade proof and wipeable. The liquid filled cell has crystals, beads, flowers, lampworking, pearls, and art glass in shades of pink, lavender, pale blue and green. Aluminum eyepiece and cage are powder coated in rich purple. First surface mirror. Eyepiece fitted with a 3 diopter glass magnifying lens. Size approximate: 8 1/4" x 2 3/4".
