

menorah

Rich and warm, this image of glowing candles in a golden menorah is printed on canvas-textured satin finish signmaker's vinyl, which is fade proof and wipeable. The liquid filled cell has gold, enamel, and silver Stars of David and menorahs tumbling like dreidels in a blue color scheme. Aluminum eyepiece and cage are powder coated in a textured bronze and black. First surface mirror. Two-mirror, 6-point system brings you dozens of holiday memories, and six pointed stars, every time you turn the cell. Eye piece fitted with a 3-diopter glass lens. Size approx.: 8 1/4" x 2 3/4".
