China's cuddliest citizen now lives happily in a kaleidoscope. A fun and colorful photograph of one of these happy creatures is printed on canvas-textured satin finish signmaker's vinyl, which is fade proof and wipeable. Liquid filled cell has enameled, brass, and mini sculpted pandas as well as their favorite food in wonderful shades of green. Aluminum eyepiece and cage are powder coated in a delightful green. First surface mirror. Two-mirror, 5-point system gives you dozens of pandas every time you turn the cell. Eye piece fitted with a 3-diopter glass lens. Size approx.: 8 1/4" x 2 3/4". Shipping in continental US included; others contact artist.
