

pink rose

Colorful and happy, this kaleidoscope captures the wonder of a budding pink rose framed against an intense blue sky. The original photograph is printed on satin finish canvas textured signmaker's vinyl, which is fade proof and wipeable. The liquid filled cell has crystals, beads, roses, leaves, lampworking, and art glass in shades of pink, blue and green. Aluminum eyepiece and cage are powder coated in a beautiful blue. First surface mirror. Eyepiece fitted with a 3 diopter glass magnifying lens. Size approximate: 8 1/4" x 2 3/4".
