

rainbow love

As bright and magical as a rainbow this kaleidoscope is very special. The scope body is powder coated in a rich purple and then wrapped with silk cording. The unique arch shaped mirror system frames brilliant jewel colored beads, charm, crystals, glass, and wirework in a liquid filled cell. These colors make everyone happy.

Special arch mirror system. 3 diopter glass magnifying lens. Size approximate: 8 1/4" x 2 3/4".
