

swan

Elegant and sophisticated, this kaleidoscope captures the beauty and mysteries of the majestic white swan. The original photograph is printed on satin finish canvas textured signmaker's vinyl, which is fade proof and wipeable. The liquid filled cell has crystals, beads, swans, lampworking, pearls, and art glass in shades of white, aqua, black, gold and silver. Aluminum eyepiece and cage are powder coated in light blue. First surface mirror. Eyepiece fitted with a 3 diopter glass magnifying lens. Size approximate: 8 1/4" x 2 3/4".
