

urchin

A beautifully sculpted white ceramic urchin forms the base of this whimsical kaleidoscope. Both the base and cream colored scope body are adorned with real urchins, shells, starfish, and sand in shades of beige, pink, brown, cream and sand. The liquid filled comes alive with urchins, fish, starfish, beads, lampworking, cane, glass and pearls in colors of coral, turquoise, pink, gold, brown, orange, and sand. there is even a clown fish - the one that lives among the urchin's spines. It's a spectacular underwater world!

Size approx.: 10" high with an 8" foot. Scope is 9" x 3"

This is a very limited edition of 2.
