

# wine tasting 101

This grape adorned kaleidoscope sits atop a stack of old books and tells the story of a wonderful evening of wine tasting. Here are 3 liquid filled (naturally) cells - 1 each about red wine and white wine and 1 about the tools we use to open our vintage bottles. The cells feature grapes, tendrils, leaves and bottles in shades of red and purple, green and gold and silver, and the white wine cell is transparent. Get out the corkscrew (there is 1 in one of the cells) and start studying. Cheers!

scope 8 1/2" x 2 3/4". base 7" x 6". total height 10"

The second and third drawers open and hold extra cells.
