

yellow rose

Bright and cheery, this kaleidoscope captures the sun filled beauty of a summer rose in the garden. The original photograph is printed on satin finish canvas textured signmaker's vinyl, which is fade proof and wipeable. The liquid filled cell has crystals, beads, roses, lampworking, and art glass in shades of yellow, pale turquoise and green. Aluminum eyepiece and cage are powder coated in a textured medium green. First surface mirror. Eyepiece fitted with a 3 diopter glass magnifying lens. Size approximate: 8 1/4" x 2 3/4".
